Proposed work

Provide detail of the proposed scope of work:			
In this a change to a current marking or a new marking?	Current marking	New marking	
If current marking change, which bay number(s):			
Are there any aircraft types allocated to this bay(s) that are no longer required. If yes, please provide details	Yes <i>details</i>	No	
Is a pilot stop bar requested:	Yes	No	
Select the type of operation(s) to be undertaken on the bay:			
Refuelling	Catering	Cleaning	Baggage
Storage only	Maintenance	Passenger boarding/disembarkation	
Water services (potable/waste)	Other (please specify)		
Note: <i>At Perth Airport all bays are considered to include apron flood lighting. I acknowledge this change may require an upgrade to apron lighting at my expense</i>			

~ Continued on next page ~

A marked up plan(s)/sketch of the proposed changes is attached to my application.

Note: Plans can be attached to the automated email when selecting the 'Submit Form' button below.

A Fee of \$110 (inclusive of GST) is payable to Perth Airport Pty Ltd (PAPL) on submission of this form, for PAPL's work in considering the request and preparing an estimate of the time and cost to plan, design and review compliance of the proposed markings (a **Design Estimate**).

Cheques are to be made payable to "Perth Airport Pty Ltd". If you wish to pay via credit card or EFT, please request an invoice from your Property Manager.

Provision of the Design Estimate does not commit the applicant to proceed with undertaking the design investigation or subsequent installation of the markings by PAPL.

I/we acknowledge that plans/drawings prepared by other parties (if applicable) must be provided to PAPL for review prior to amending or installing any new markings, to ensure compliance with Part 139 MOS.
