Notes

RPT means Regular Passenger Transport services operating to a published schedule

Government Mandated Security Charges are subject to annual reconciliation of costs incurred

Peak Periods for the purposes of the Airfield Usage Charge are 0530 to 0730 and 1500 to 1600 Monday to Friday.

Peak Period Minimum Charges apply to both arrival and departure movements

Aircraft Storage means aircraft at Perth Airport that do not conduct any flight operations within a 14 day rolling period and are parked on a Perth Airport Pty Ltd operated apron or bay for a continuous period of 5 or more days.
